One night free, one night \$10 per K-8 player for DOME usage

Registered RYBA players planning to play K-3, Majors, Minors, and traveling players are all invited to the event! We'll assign "spacing" based on ages

Want an opportunity to play catch before the season? Want to prepare for traveling or majors tryouts? Want to just dream of warm weather and start the baseball season? Attend one session or both, simply pay \$10 at the door per player for the 2nd session, the first session is free!

What to bring? Bring your glove, a ball, a bat, and a baseball friend. While we expect to have two batting cages available if there is a lot of interest the usage will be limited.

Do I need to sign up? Absolutely not! you can decide that day. However, if you plan to attend or are very likely to attend, while not required to do it.....please email halverson.paul@rochesterbaseball.net so we have a good idea how many to expect and can adjust if needed. Provide player name(s), grade/age, and which nights.

REQUIREMENT: This is not a drop off event. An adult is required to stay and participate (supervise) but may bring up to three players from RYBA in grades K-8. There are no plans for organized stations or scrimmaging, but rather it is simply an opportunity to leverage this great facility right here in Rochester!

RYBA has rented the dome and taken on the financial responsibility of the rental fee for the second night. The \$10 per player is to recoup the costs associated with the event based an estimation of attendees.
